  - 3) 记住: Everyone should bear in mind ...
  - 4) 复兴: The Chinese dream of achieving great rejuvenation will surely be realized by the youth with joint efforts.

In the picture, there are two climbers on their way to the top of a mountain. One of them, sitting on a stone step with his backpack aside, says in slight **frustration**, “I’m too tired to go any further.” His travel companion hands him a bottle of drink and replies encouragingly, “Come on! Take a break and keep climbing.” The picture intends to illustrate the **irreplaceable** role **persistence** plays in realizing great ambitions.

Just as mountaineers have to climb up rocky and **steep** slopes before reaching the peak, we will inevitably encounter numerous obstacles on our way to success. What is needed then is **a sustained effort** to conquer them rather than an excuse to give up. After all, **surrender** means all previous efforts **come to naught** while **hanging on** certainly brings rewards. High achievers in competitive sports understand that very well and, almost without exception, **attribute their glories to** their **perseverance** with intensive training day after day.

As an old Chinese saying goes, **the last leg of a journey marks the halfway point**. The closer we get to the finishing line, the more fatigued and lazier we feel. At such tough moments, we can only achieve our goals by being **strong-willed** and **gritting our teeth**. In other words, the virtue of persistence is the key to success and thus needs to be cultivated consciously.

图里有两名登山者正在通往山顶的途中。其中一人坐在石阶上，把包放在旁，略带沮丧地说道：“我太累了，不爬了。”他的旅伴递给他一瓶饮料，鼓励道：“别啊！休息一下再接着爬。”该图旨在揭示：坚持不懈对于实现远大理想有不可替代的作用。

正如登山者必须要爬上崎岖陡峭的山坡才能抵达山顶，我们在通往成功的途中也难免会遇到诸多障碍。此时，我们需要通过不懈努力来克服这些困难，而非寻找借口放弃。毕竟，缴械投降就意味着前功尽弃，而坚持下去必将有所回报。在竞技体育领域取得非凡成就的人对此了然于心，他们几乎无一例外会将取得的荣誉归功于自己能坚持完成日复一日的高强度训练。

中国有句古话：行百里者半九十。我们越接近终点线，就越会感到疲惫慵懒。在这样艰难的时刻，只有坚定信念、咬紧牙关，才能达成既定目标。换言之，持之以恒便是我们取得成功的关键，因此我们需要有意培养这种品质。
